Bare cupboard

I had never been unfaithful until a drunken office party. I don't know what came over me, but these two guys led me to another floor, where they had a key to a stock cupboard.

Once inside, the lads and I were kissing and groping each other. My dress got unzipped, so I stepped out of it – it was a great thrill to be standing there naked in front of two lads who were half my age, and whose cocks were hungry for me! I was aware that I was about to be unfaithful for the first time, and with two guys to boot, but I didn't care! All I wanted was my hole drilled by these two studs!

I got down on all fours and slurped one dick into my mouth. A few seconds later I felt the second lad's cock line up at the entrance to my pussy, and then ram in! I was on a fucking cock-spit between these lads and I was loving it!

I bobbed my head up and down on the cock in my mouth with the ferocity of the fucking from behind. That lad's thighs were slapping against my arse as he drove his cock in me, deeper and harder than I'd been drilled for years. I was already cumming before he reached for my clit with his fingers, and when he did I was there with a bang!

The lucky bloke was called Steve and we pulled him at a nightclub. I don't know who started flirting with him first, but he was loving the attention from the pair of us, and when Ellie asked him straight out if he was coming home with her, he said only if I was coming too.

It was so fucking sexy – I was lying in between his thighs, playing with his cock and balls, while Ellie was just straddling him, her tits shoved in his face, rubbing herself all over his body and leaving a mess of sticky juices all over his belly.

Next thing I knew, she was backing down even further, her legs splayed wide, and I started wanking his cock against her moist slit and

I FONDLED HIS BALLS AS I FED HIS PRICK DEEP INTO HER WET HOLE

crack. He was straining hard and she was moaning out loud as I teased the pair of them, making them wait before I finally fed his prick into her hole.

Even when they started fucking I didn't leave him alone – I was fondling his balls as he sank his prick in deep. And obviously it was such a turn-on to see two people screwing this close up.

I wanted in on the fun myself, though, so I moved up the bed and straddled Steve's face, letting him take a couple of little licks at my twat first, before sinking down to grind away on his mouth. Ellie was bouncing around on his prick, her tits jiggling about like mad, so I cupped them in my hands and leaned forward to snog the face off her.

She teased me, asking why I was bothering to do this when Steve wouldn't be able to see us with, as she put it, "his face up your twat". I told her I'd fancied copping a feel of her, simple as that.

I got to do even more when she rode Steve to a powerful climax. She got off his cock and stretched out on the bed, moaning that she hadn't quite got there herself before he'd shot his wad up her twat. She was fingering herself, playing with the spunk oozing out of her fanny, and I hauled myself up off Steve's face to give her a licking.

I sucked and lapped away at her for what must have been ages, gulping down Steve's creamy mess as her juices washed it out of her. Then I jammed three bunched-up fingers into her hole, pumping them as I sucked on her clit. I've often wondered how it feels for a bloke to have a woman cum around his shaft, and the way Ellie clenches when she goes off like a rocket must be hard enough to have set off a few spunk blasts.

I wasn't leaving Steve out – as soon as he could handle having his cock touched again after cumming, he grabbed my hand and, with his own slapped over it, started using it to wank himself. I loved the feel of him hardening against my palm, his skin still moist and sticky from Ellie's fuck cream.

When I couldn't get him any harder, he got in behind me and started wanking against my slit, frustrating me like I'd done to him and Ellie – I was just dying to feel that lovely fat prick inside me. He couldn't keep that up for long, though – I didn't have to ask before I felt him rub it against my hole then push it in with one smooth thrust. I was still licking Ellie, even though I'd brought her off once, but I soon lost my focus and I reached back to frig my own clit as Steve fucked me. He was grasping my arse tight, squeezing and shoving my cheeks around his cock as he thrust in, and it wasn't long before all the sensations got too much, and I was cumming all over him.

I love having threesomes – obviously it's best for me when I'm screwing two blokes, because there's always a hard cock when you need it.

But I was happy to mess around with Ellie whenever Steve needed a bit of time to recover from satisfying us both…

TRUE BLUE

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

Courtney: Just hangin'

Stripper Courtney Morgan bares all (quite literally) about working in one of the UK's biggest lap dancing clubs

I like to be the centre of attention. Whenever I used to go out clubbing I'd always find myself dancing on the podiums or bar. I liked to be sexy, so making the move into strip clubs and erotic dancing came naturally to me.

Over all I've been stripping for four and a half years, with a short break in the middle. When I went to my audition at Spearmint Rhino I'd only been back for a few months. I wanted to work there so badly – well, it's a globally renowned name – so decided that I wasn't going to leave without a "yes". Although nervous, I was going to get straight on that pole and shake my booty like there was no tomorrow! Suffice to say, I got the job.

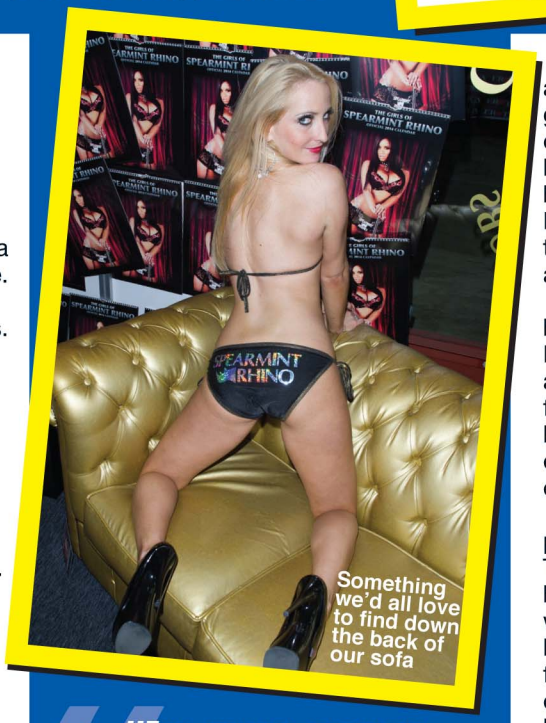
Before stripping I didn't know how to pole dance. You can learn both on the job. A lot of what you pick up is from girls that have been working in clubs a lot longer. We'll share tips and if it's quiet then we'll spend time practising together.

Before doing a performance on stage, I like to be prepared, so as well as ideas from other girls, I also research You Tube videos of American pole and lap dancers and practice on my pole at home. I'm always keen to put in the work and hours to create a good stage show.

Performing on stage in the UK isn't like doing it in America where they throw money at you while you're up there. Over here money from lap dancing is made through private dances, so I look at my stage shows as a way to advertise what I do.

Lately I've been going down the burlesque route, especially with the private stag shows I do outside of the club. There's a chance to experiment with different ideas, like playing with hot wax and candles, or liquid latex, which I tried out recently. I'd pour it all over me and drip it over my boobs before slowly peeling it off to reveal my nipples. It certainly got the crowd going and the more into it they are, the sexier and more adventurous I become.

Big crowds are one thing and I love the attention from all those guys, but private dances are fun too. Most of my clients are men, but I dance for a lot of couples as well. Sometimes they'll have come in to spice up their love life. Interestingly, I find it's the wife or girlfriend that gets into it more, so I'll focus my attention on her.



Something we'd all love to find down the back of our sofa

"In my sexy private dances for couples, it's often the wife who gets into it more"

Olive couldn't make it

Afterwards, some couples rush off home to relieve the sexual tension that I've helped build, but others will spend all night in the club, requesting dances from an array of girls – different hair, skin, boobs, bums – so they experience a bit of everything and really tap into that sexual energy.

As a lap dancer of course you want the person you're dancing for to be aroused. There are tell-tale signs – such as if a guy has to rearrange himself down there. There was one occasion when someone got a little bit too excited. To be fair it was his first time in a lap dancing bar and he can only have been about 19. I leaned in a little bit and my leg brushed his leg, which I realised was damp. I didn't react, I thought 'Fair enough' and actually felt quite proud. It's good to know you're doing a good job, no matter what your profession! It's nice to know I'm being sexy, looking good and doing the right things.

Sometimes Spearmint Rhino feels more like a night out than work, but then you get money at the end of it. There's a lot to love about my job. From getting ready with 100 other hot, naked women every night in the changing room, to free champagne, making men excited, or dinner with a regular client before a dance.

For me, the only way is up and one day I hope to have a big enough following that I can tour and headline at strip clubs around the UK, or even go and work in an American Spearmint Rhino. That would be amazing!

She's wild and crazy in the bedroom, and that really came across in this shoot at 28-year-old Brummie Tina's house. "This kitchen has seen plenty of action. My other half likes to pop it up me when I'm doing the washing up! He loves playing with my boobs while he fucks me from behind! My favourite body part? Funnily enough, I would say my eyes. It's so horny to stare into someone's eyes while you're sucking or fucking them!"

Tight fit

When my husband Mick and I did out our new place, the last thing we had sorted out was the kitchen. When we stood there looking at it, we both got the same idea – christening it before we'd even made a cup of tea there.

I was well up for that – and told Mick to hang on while I slipped into something a bit sexier. With all the muck and dust from the workmen we'd been slobbing around in old tracksuits and T-shirts for months, but now the place was gleaming clean I could dress up a bit. I went through to the bedroom and changed into white stockings, suspenders and a matching bra – I just thought white suited the first time feeling of all this. I also put on high white stilettos – Essex as fuck, but very sexy with it. I thought I'd leave the g-string off, but then decided to put it on, pulling it up so tight my pussy lips were pushed to either side of it and every step I took had it sawing against my clitoris.

Mick's eyes nearly popped out of his head when he saw me walk in – it had been so long since I'd dressed up for him like this. We normally just showered off the dust and grime and went to bed naked. I wouldn't let him near me for a couple of minutes – I just put on a sexy dance show for him, hoping how I looked would imprint itself on his memory. I ended up sat on the work surface in the middle of the kitchen, which doubled as a table, first with my legs splayed on either side and pulling on the front of my G-string, my hips angled back so Mick could see the sticky-wet string stretched along my slit. Then I lay back with a come-and-get-me look.

Mick unzipped and strode towards me like a man on a mission, but I told him I wanted him stark bollock naked. He's got a sexy body and seeing him in his full glory would get me even wetter. And I couldn't resist nagging him about leaving his clothes on my nice new floor!

He grabbed my arms and slid me forward, so my arse was perched on the edge of the work surface, then he raised my legs right up so my feet were resting against his shoulders. He teased me, rubbing his cock head up and down my slit, and then put it inside me, thrusting in deep.

His little nickname for me is Minx, and I lived up to it, pulling my tits out over the top of my bra and reaching

KELLY, BOLTON

HE PAINTED MY MOUTH WITH PRE-CUM LIKE LIPSTICK

down to scoop up pussy juices to rub into my nipples. Of course, no sooner did I get them well smeared than Mick sucked them clean again!

After a few minutes, Mick pulled out of my pussy and repositioned me on my back, then went around to my head and dangled his prick over my mouth. The pre-cum was dripping out of it, and he painted this on me like lipstick, then he had me sucking him properly, taking his prick in my mouth. He loves to spunk down my throat, but not this time. As soon as there was any danger of me sucking him to an orgasm, he pulled out again.

"I want to do this properly and fuck you in every hole," he whispered in my ear, and I wasn't going to deny him the pleasure. I bent forward over the worktop, the granite cold against my exposed nipples, and reached back to spread my cheeks for him.

He grabbed the bottle of olive oil we'd bought that day and poured a load of it over my crack, using his fingers to work it around and inside my tight brown hole. Then he slathered even more of it on his cock.

It was a tight fit – it always is when we do anal – but I finally took Mick's entire length inside my arse, right down to his balls. He started pumping in and out, and I clenched as the sensation started to build. Finally, I felt his prick begin to jerk and the next thing I knew, spunk was flooding into my arse.

Fair play to Mick, he cleaned up all the mess, so the kitchen looked perfect again when he took a few naughty snaps of me. Too bad he's only done the washing up twice since then, but that's not what I married him for!

Kelly, Bolton.

Carla Mai looks simply splendid in her PVC get-up. "I feel great in it too! I don't want to take it off. Would you mind if I took it home? My boyfriend will cream in his pants if I shrug off my coat to reveal this underneath! He'll be so excited he'll probably fuck me in the hallway, standing up against the wall, his hands running all over me. I'll ease out his big hard prick that's already damp at the end and direct it up my shaven hole that's streaming too with hot sweet cunt cream. Then he'll bang me vigorously up against the wall till he shoots up me. Then we'll go upstairs where the real fun starts!"

SEX WITH ALL THE STRINGS

Daisy Blade's NYE celebrations go off with more than one bang

Let me begin this column by saying Happy New Year! I hope you got up to much festive frolicking. Mr B and I certainly did on NYE and the sexy firework display we put on shit all over anything else that was happening at the stroke of 12.

Thinking I was having a quiet night in (I'm not a big NYE fan), I'd settled onto the sofa with chocolate and a bottle of fizz. The flatmates were out, so the house was empty apart from me and my beloved and he was pottering around.

After an hour or so, Mr B appeared in the living room and blocked my view of the TV. "My New Year's Eve resolution is to make you cum 12 times before the stroke of midnight," Mr B informed me. I felt giddy and excited and wondered if what he'd been up to for the last hour related to his plan?

Already 8pm, we didn't waste any more time. Rolling up my skirt and pulling my knickers to one side, Mr B plunged straight in. He kissed me while my tight pussy adjusted around his length, then fucked me hard and fast on the sofa, thumbing my clit while he did. Orgasm number one left us both panting.

Taking my hand he led me into the kitchen. Ah, so he had been up to something. I saw a bowl of melted chocolate and he'd brought the fizz. Helping me out of the rest of my clothes, he told me to lie back on the kitchen table. Taking a spoon, he dribbled the chocolate onto each of my nipples then used the back of the spoon to cover them. Leaning over, he slowly licked each tit clean. When he was done there, he spooned more between my cleavage, down to my belly and inside each thigh. Each time he licked me he was getting closer to where I really wanted his mouth to be: on my clit.

Then he took a mouthful of sparkling wine and covered my clit with his cool lips and bubbles. The sensation sent me over the edge for number two.

Three and four came while he was washing my pussy in the shower. His fingers slid inside me and found my G-spot and I gushed all over his hand.

By this time Mr B was hard again. Stopping in the hallway, I dropped to my knees and took him into my mouth. Feeling him stiffen as my tongue played with the head of his cock, made me wet again and when he told me to make myself cum with his cock in my mouth I felt five and six.

Only halfway there and I was a quivering mess. Mr B was still rock hard and swiftly took me doggy-style in front of the mirror. Watching him grab my hips, plunging in and out of my dripping wet slit, prompted number seven.

Practically having to carry me to the bed, Mr B lay me down and spread my legs. Reaching into the toy drawer he picked out my favourite glass dildo and bullet vibrator..

She promised she would drink them under the table

Slipping the firm dildo into my pussy, he started to work it in and out while the vibe buzzed against my clit. That was eight.

Orgasm number nine built up slowly as the sex toys worked me, but hit hard with a few deeper plunges of the dildo.

It was gone 11pm and there were still three to go. For 10 and 11 I was impaled on Mr B's hard cock while he sucked each of my tits in turn to make me cum. Grinding against him while he nibbles my massive rack always sends me over the edge.

There was only one to go and, glancing at the clock, midnight was approaching. I was flipped on to my back and Mr B took me missionary. I'll spare you the soppy details about all the eye-gazing, but as he fucked me deep and I felt him finally cum, I was sent over the edge the final time. It was a Happy fucking New Year. Literally.

Need trembler

My date Anthony took me to the flicks to see *Only God Forgives*. I'm a bit squeamish so it wasn't my choice of date movie, but he was so up for seeing it I went along with it.

I lasted about half an hour before I said I'd have to leave. I told Ant to hang around and enjoy the rest of the film but he insisted on leaving too.

I felt so daft and guilty that I was desperate to make it up to him. So the first alleyway I spotted, I dragged him down. "Right – anything you want, I'll do it," I told him. He said not to be silly, that I didn't have to do a thing, but when I talked him around to the idea he seemed to like it. I got a bit nervous when he looked like he was giving it some serious thought, but I knew I could probably cope with anything he thought up.

"Tell you what," he said. "Pretend we've just met. We don't even know each other's names and all we want is a fuck."

I actually liked what I was hearing. I already thought he was a great shag, but sometimes he'd be a bit too apologetic or cautious. Once, he spunked in my face after I gave him a blow job, and acted like he'd done something really awful, even though it turned me on.

Now, though, it was like I was fucking a different guy. He was probably a bit hyped up from what he'd seen of the film, and while he wasn't rough or nasty he seemed less worried about going for what he wanted.

I started snogging him hard, and he pushed me up against the wall, one hand squeezing one of my tits really hard through my jumper, the other one snaking up my skirt to cup my pussy through my knickers. I felt myself begin to juice, and just in case he didn't yet feel it, I ground myself against his fingers. He got the hint, slipping his fingers inside my knickers and sinking three of them into my hole. His thumb was soon rubbing away at my clit, and within minutes I was cumming, soaking his palm.

I'm not heavy but he could probably only hold me for so long. He put his jacket on the floor and asked me to kneel on it, then buttons flew everywhere as he ripped my blouse open. He yanked my bra down – it didn't tear but my tits fell out of it. Then he had me playing with them as he finished himself off by hand. I was dying for him to slap his prick in my cleavage, but it was even more of a thrill to see him wanking his own cock in my face, and even more so when he started spunking on my boobs!

Zoe, Hereford.

ZOE, HEREFORD

So much for making things up to him – I'd had all the fun so far. But he wasn't finished yet. My knickers were flimsy enough that he could rip them off with one yank.

He grabbed me around the arse and braced me against the wall, lifting me slightly so I could slither down his body and onto his cock. Then he started banging into me. Even though he was jiggling me about on his shaft, it pretty much stayed deep inside me.

FAN-TASY!"
JENNY

Phew! It's all getting a bit steamy in here with the juicy-jubblied Jenny, whose ridiculously over-endowed rack is getting us pretty hot under our trouser-collar. Luckily she's got a fan to cool us down. And we reckon she'll have thousands of new fans after she uses it to treat us to a burlesque show that leaves a lot less to the imagination than they usually do. As singularly unimaginative folk, that suits us fine.

Sex factor

My bird Stella and I can get a bit competitive, which certainly keeps things ticking over in the bedroom – and out of it!

The other week, we were at the pictures. I had my jacket on my lap and, under it, Stella was wanking me off – pretty routine for us, if I'm totally honest. I spunked my load all over her hand and she just sat there, licking it off like it was the tastiest thing in the world. We carried on like that – a couple of times she stuck two fingers up her pussy, and gave them to me to lick clean.

Then she put her head in my lap and started sucking me off, right there in the back row. I shot off in her mouth and, dirty tart that she is, she moved up to give me a big snog so I could taste myself on her tongue.

The film finished late, which meant a long journey home on the bus. The fucking would have to wait till we got back to our flat. When the bus came we went upstairs and sat in the seats right above the driver, and Stella asked me to play with her cunt.

I went one better – I'm a skinny bastard so there was just about enough room for me kneel in front of the seat, with my face in Stella's crotch. Even she couldn't quite believe that I was being this blatant but I figured that, unless someone sat right next to us, no one would have a clue what we were doing.

I pulled her knickers to one side – there wasn't that much of them to start with, just one soaking-wet string – and started slurping away, sucking so hard on her clit that

SHE LICKED MY LOAD OFF HER HAND

Bigger the Batter

I've always liked big-titted women, and my girlfriend Dee has a pair right out of my dreams. She's of quite a small build so where her natural D-cups came from I don't know.

She loves it when we fuck with her sitting on my lap,

my prick stuck up her down to the hilt and my hands all over her boobs. The harder I squeeze them, the harder she cums – they're so sensitive.

For her birthday I gave her a sexy red corset. It shoved her tits right up and out, and was cut to give her a cleavage even with her boobs bared. She'd also put a bit of lipstick on her nipples, making them all red and stiff. I just stood there, my jaw on the floor, as she posed for me on the bed, fondling her own boobs. Then she lay back, kneading them together, before dipping a finger in her pussy and running it between them, leaving a moist trail.

I virtually flung myself on top of her, sitting over her chest with my hard cock slapped between her boobs. I had to reach back and scoop the juices out of her open pussy to lube up her cleavage, but when she was wet enough to fuck it was like I was in tit heaven.

Obviously, her breasts were the main attraction, but the corset added even more – I loved the feel of the smooth satin against my balls, which trailed over it as I screwed in and out of Dee's tits.

I'm pretty well-endowed – my dick doesn't even get lost between tits the size of Dee's. As I thrust in, my helmet would pop

I COULDN'T KEEP MY HANDS OFF HER TITS

out between her mounds, all red and swollen, and she'd take a lick at it, sometimes even slowing me down so she could enjoy a suck. I just couldn't keep my hands off her tits – by now I'd taken over kneading them around

she had to muffle a moan. Whenever the bus stopped and I heard people come up the stairs I nearly panicked, but Stella just squeezed her thighs against the sides of my head, holding me there.

I was just hitting my rhythm when she whispered "Shit!" and threw her long coat over me, covering me down to the floor – some bloke had sat in the pair of seats across the aisle from ours. Then I felt her body relax and she whispered, "It's all right, he's pissed as a fart. Just keep licking."

Soon the thought of getting caught was more of a turn-on, and as I lapped away at Stella's cunt I reached down and started wanking myself. She was well gone too, reaching down to rub her clit as I buried my tongue down to the root inside her, and when she came I felt a little spurt of juices over my tongue.

I came into my own hand and wiped it over Stella's slit, then, I got up and sat next to her, calm as you like – the bloke sitting near us had dozed off.

Leo, Leeds.

my length, so she just trailed her fingers over her nipples, gently scratching at them with her long red nails.

I tried to hold back, to string things out as long as I could, but there was no way I'd last that long – not with what I was seeing and feeling. Obviously, though, I had one last treat. I felt my balls bunch up against the red satin, and with my cock head looking like it might burst I fired a thick, warm load all over Dee's big creamy tits. Stray drops splashed over her chin and mouth and she licked her lips, scooping what she could reach with a finger. Then she had one last play with her boobs, working my spunk into her nipples, then shoving her globes together so sticky strings formed between them as she let them part again.

Now she's dropping hints that she wants another corset for Christmas, in black leather. It will be worth every penny!

Robbie, Worcester.

Swinging lessons

We met Roy and Sue on holiday and quickly worked out they were swingers. We've always been fascinated by that world so Amy and I took the plunge one Saturday evening back at their villa.

It felt strange to have Sue handling my cock with my wife watching! Roy was getting out of his own clothes while Amy stepped out of her dress – she had nothing on underneath.

I watched while Roy gently caressed my wife's body and tasted her wet pussy. My cock was so hard seeing this that it ached! Sue was helping with that though, as she expertly gave me head and gently ticked my balls. Roy sank his dick into Amy's cunt – I nearly shot my bolt there and then! In all our years of marriage I'd never imagined how horny it would be to see another man fuck my wife!

His wife was waiting to feel my cock in her, so I obliged by feeding it into her neatly shaven twat. She felt different to Amy – her body wasn't as soft and cuddly as Amy, and her tits weren't as big, but her cunt felt good clamped around my cock! I began to fuck her, thrusting in and out. It must have been like a scene in a porn movie – the two women lying on the bed, with us two guys fucking them!

We changed position, with me lying down and Sue straddling me. It was surreal to see her bouncing up and down on my cock. I could hear Amy moaning beside me. Roy was fucking her hard and fast. Her tits were wobbling with the power of his thrusts. She suddenly said that she was cumming, and I watched as she writhed on Roy's cock through her climax.

It was such a horny sight for me I couldn't hold back and shot my wad inside Sue.

HIS WIFE'S CUNT CLAMPED AROUND MY COCK

Sue was frigging her clit with my spent cock still inside her, still grinding against my body. Roy came pretty quickly after I did, and Sue climaxed last – and loudest! After we lay there for a bit, spent, we went back to our own villa where I fucked Amy's just-fucked-by-Roy cunt!

Luke, Doncaster.
